

Game World IMS

This IMS is design to allow a fast robust interface for viewing and selling different video game related items

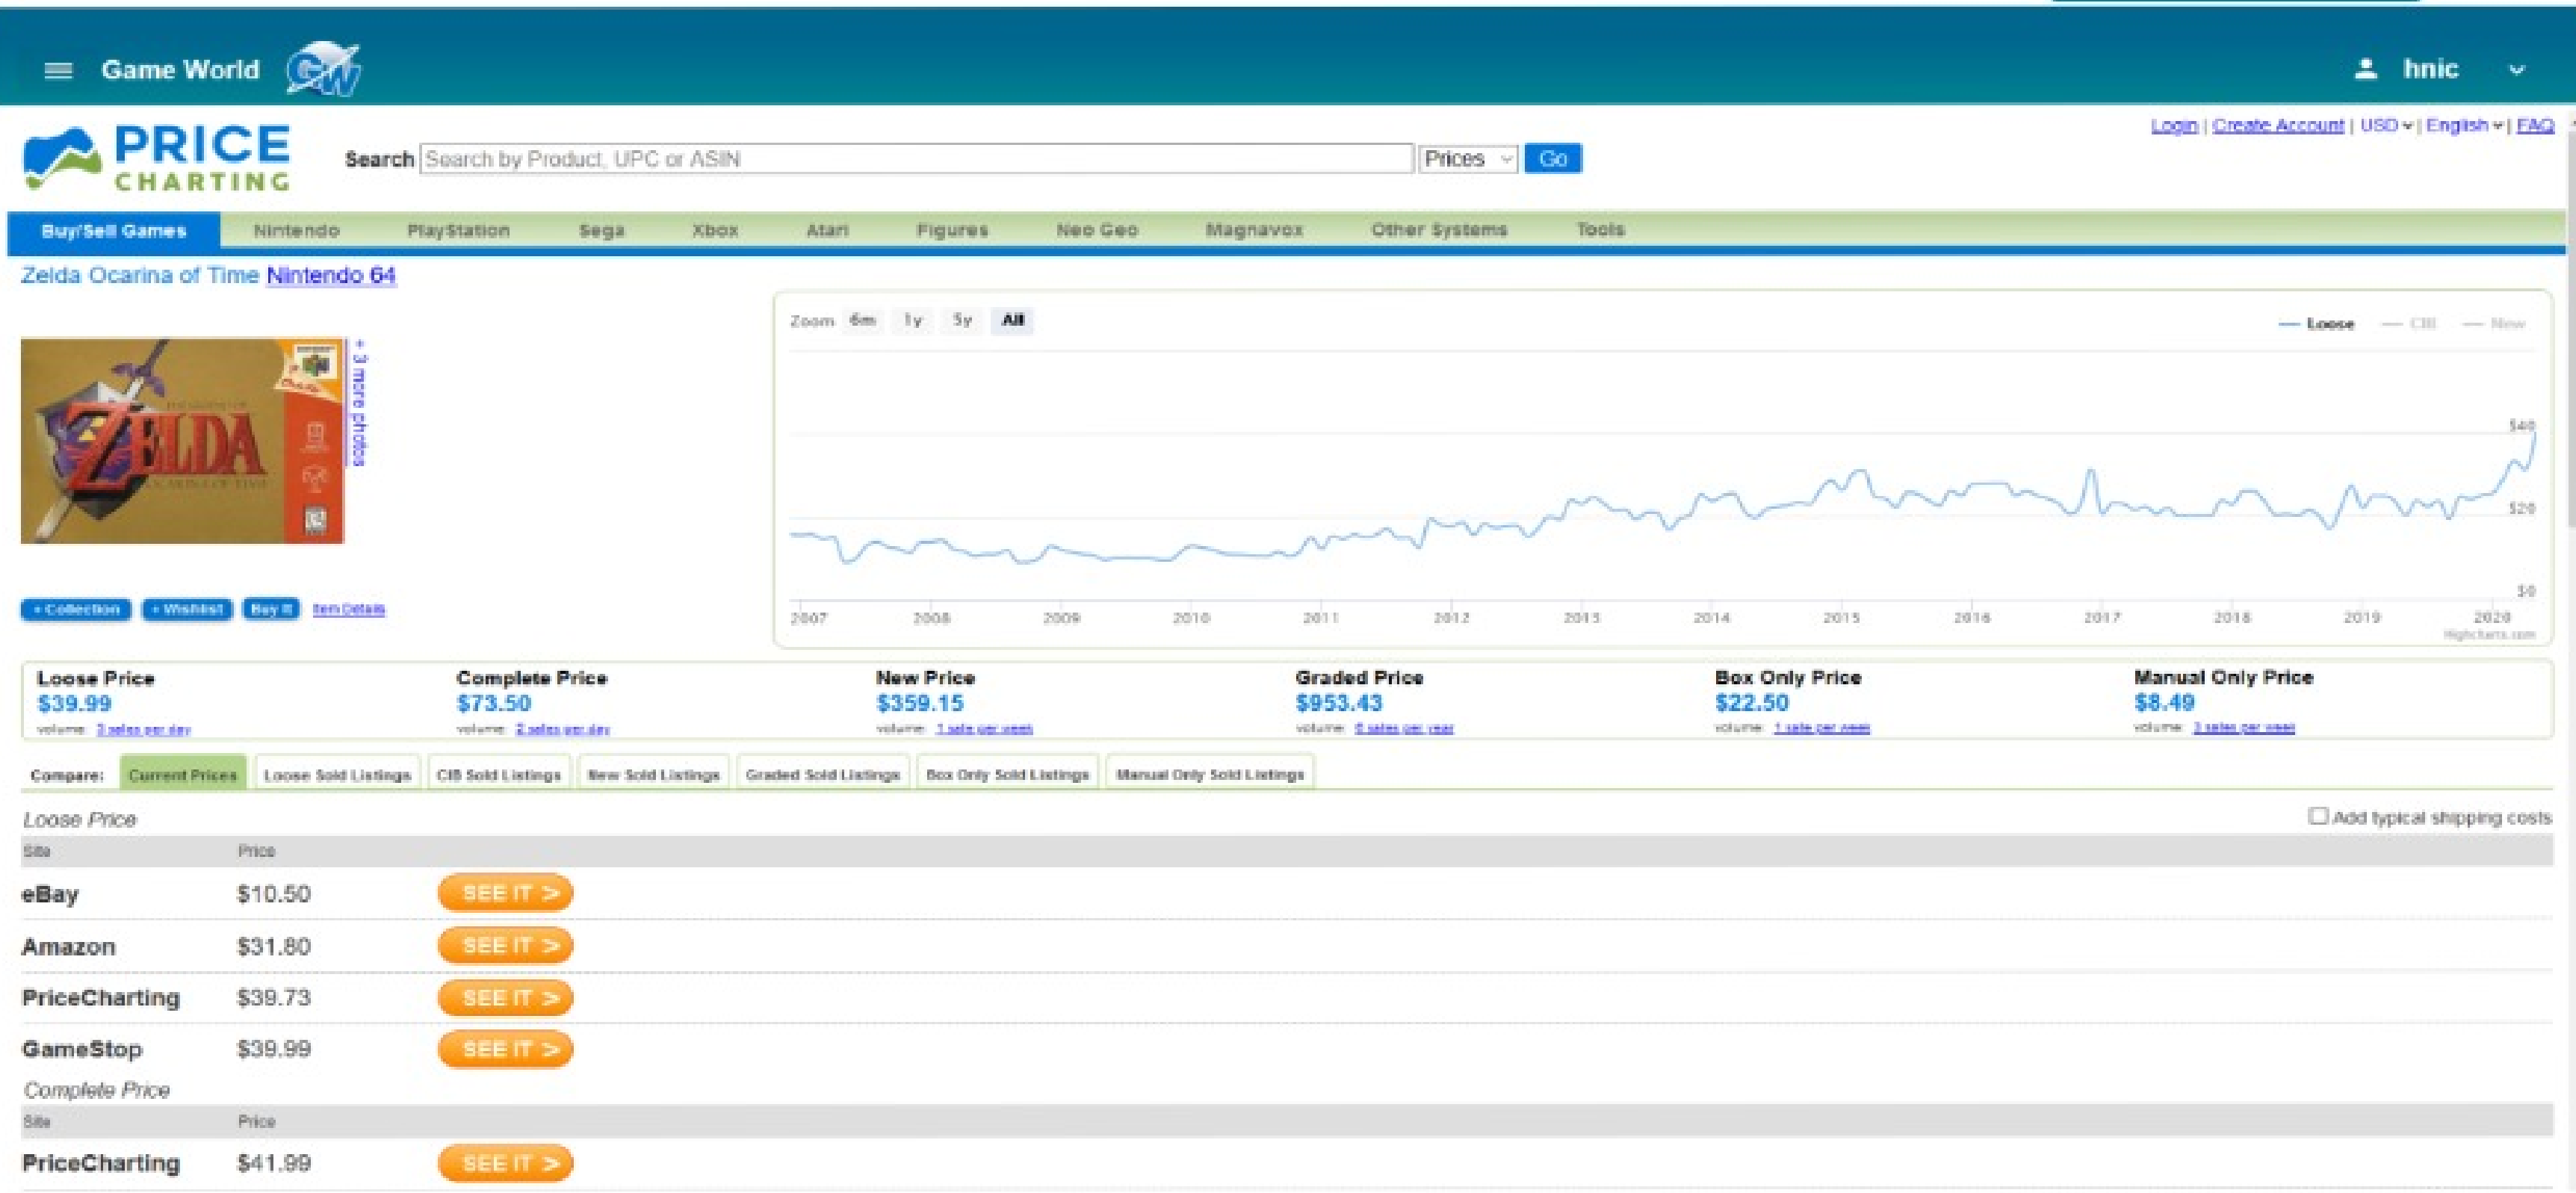

The product listing page shows a table of items with columns for Category, Name, Description, Price, Used, Stock, and Action. The table lists various video game products, including Nintendo DS, Nintendo Entertainment System, Nintendo Switch, Zelda Breath of the Wild, Pokemon Black, Diablo II Eternal Collection, God of War, Playstation 4, Diablo II Ultimate Strategy Guide, Orange Zapper Light Gun, Xbox One, and Halo 5: Guardians.

Simple Clean Data Visualization

Clear Searching and sorting of products

Price Charting Build in for quick comparisons

Easy Buying and Selling

The order details page shows a form for adding items to the order. It includes a search bar for UPC, a list of items, and a summary section with 'Order Details', 'Order Total', 'SubTotal', 'Sales Tax', and 'Total'. A 'Complete Sale' button is visible at the bottom.
